A session titled “Crafting Your Career Path With Purpose” was organized by the Career Guidance Cell at Govt. Arts and Science College, Kulathoor, on November 8, 2024, from 10:00 AM to 1:00 PM. The program was sponsored by Amrita University.

First-year students from the departments of Biochemistry, English, and Geography participated in the event. The speakers addressed the challenges students face when building their careers and offered suggestions for overcoming them. They also highlighted various opportunities available to Arts and Science students, both within India and abroad. The session was interactive and activity-based, with a Q&A session towards the end. The program concluded at 1:00 PM.
